At Chrome Sheep Studs are continuing to receive growing demand for all our rams and we see this as a result of the importance of maintaining the studs' principles. These principles are the key profit drivers; fertility; mothering ability; high growth and producing sheep with good constitution and conformation.

Don't miss out on the following opportunities to obtain the latest up and coming genetics from CHROME.

## SUMMER RAM SALE 25TH JANUARY 2013

We are extremely happy with the condition of our summer sale rams, and featuring this year are the 2011 Spring Drop Rams. These rams are out of our ewe lambs from the previous spring and have been purposely reserved for our summer sale. This is an ideal opportunity for producers that lamb in the spring to obtain high quality rams from our latest genetics. In addition to our Spring Drop Poll Dorsets we will be offering a number of Poll Dorset ram lambs, due to increased demand.
